75th ANNIVERSARY

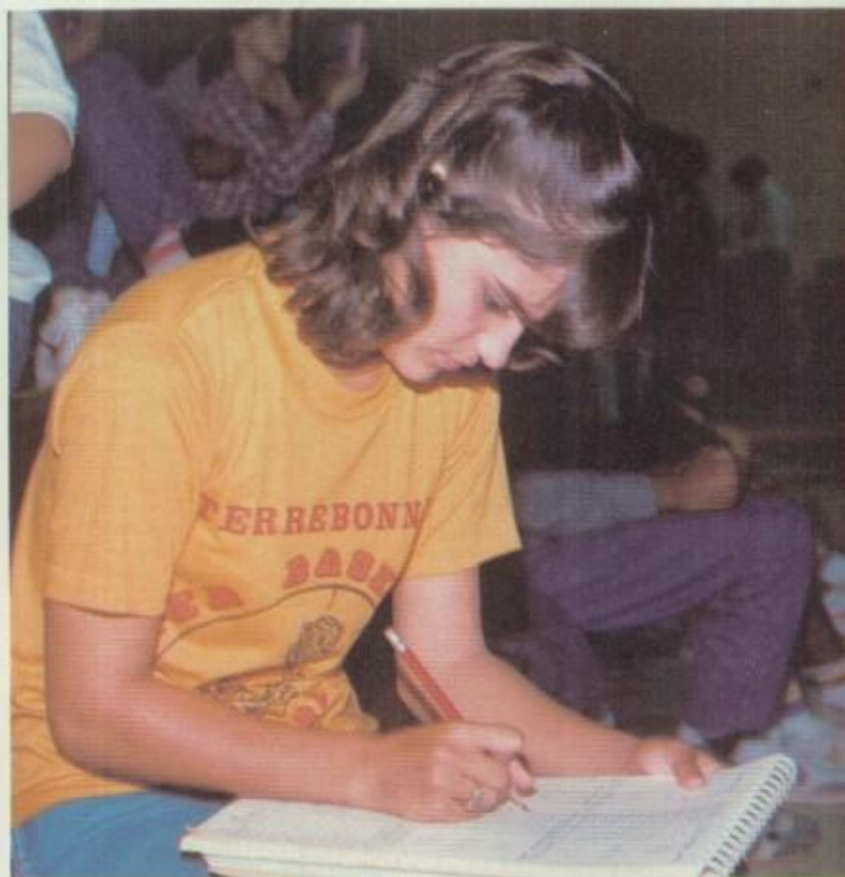

In Dedication to Mrs. Cecile Dupre

Cecile Dupre, a tremendous asset to Terrebonne during her eighteen years here, served as secretary in the main office. Assisting the faculty and students in many ways, she kept the office flowing smoothly and efficiently. Before coming to THS, she worked as both a legal secretary and a court reporter. In 1982 Mrs. Dupre retired from the school system, but she continued her secretarial skills by working as secretary for the St. Gregory Catholic Church. Due to a tragic plane crash, however, Mrs. Dupre and her husband were both killed during July of 1982. In memory of Mrs. Dupre's outstanding devotion and contributions to Terrebonne, we dedicate this diamond anniversary book.

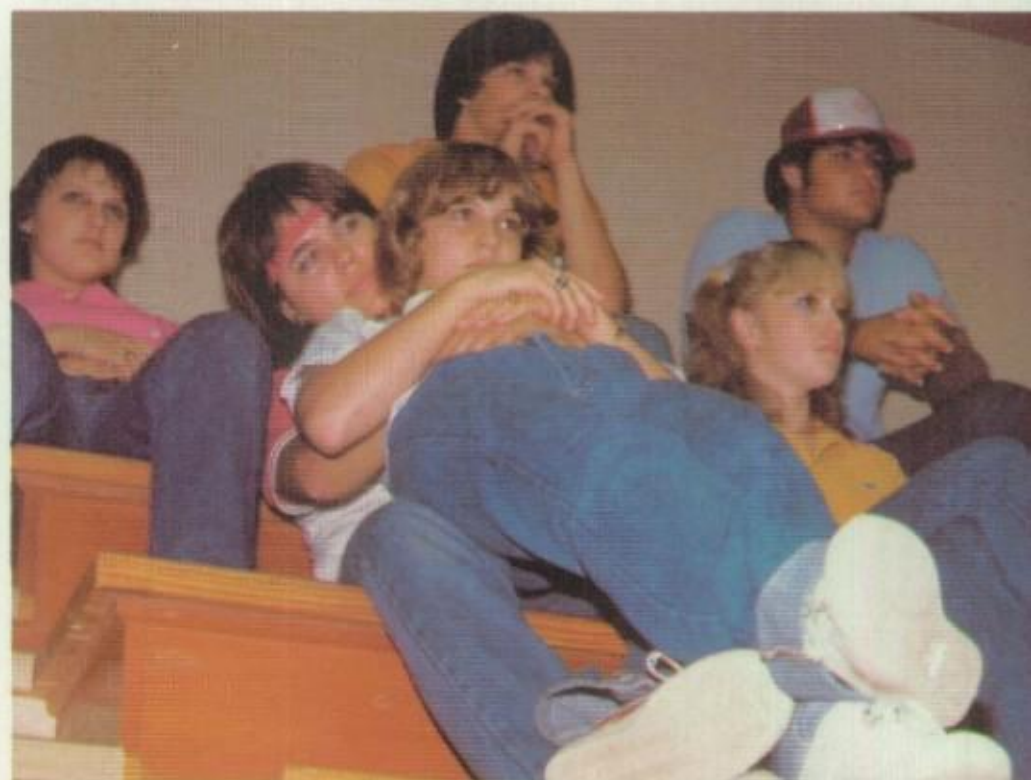

No year could have had more meaning. No year could have been so productive. No year could have been more astonishing than the year of 1983. Not only was this year a time of much reflection in that it marked 75 years of existence for THS, but it was also a time in which those new ideas, those new fantasies actually became realities — new beginnings.

Bottom: Bernadette Richard and Lisa Byrnett munch out during the lunch hour.

Celebrating its 75th anniversary, Terrebonne had a great deal of which to be proud in 1983. Through much determination and effort, our volleyball team finally made their way to state competition. Throughout the volleyball session, the team played with that well-known Tiger spirit, representing our school with outstanding pride. Supported by those loyal THS fans, our football team was able to attain the co-championship of the District.

For the third year in a row, Terrebonne proved its excellence as it was the home of Terrebonne's Junior Miss. For the second consecutive year, a T.H.S. student held the title of Outstanding Teenager of Terrebonne Parish. With the arrival of Homecoming festivities, we were the only school within the parish to continue the tradition of a formal parade. We were also the only school within the parish to initiate the Computer Science program into the school curriculum.

Opposite top: Mrs. Zepponi points out a fact to Mrs. Miller and Mrs. LaRose. Left: Frontal view of glorious T.H.S. during a typical school day. Top left: A typical lunch hour for T.H.S. students. Top right: Renda Spahr and date enjoy the Homecoming dance.

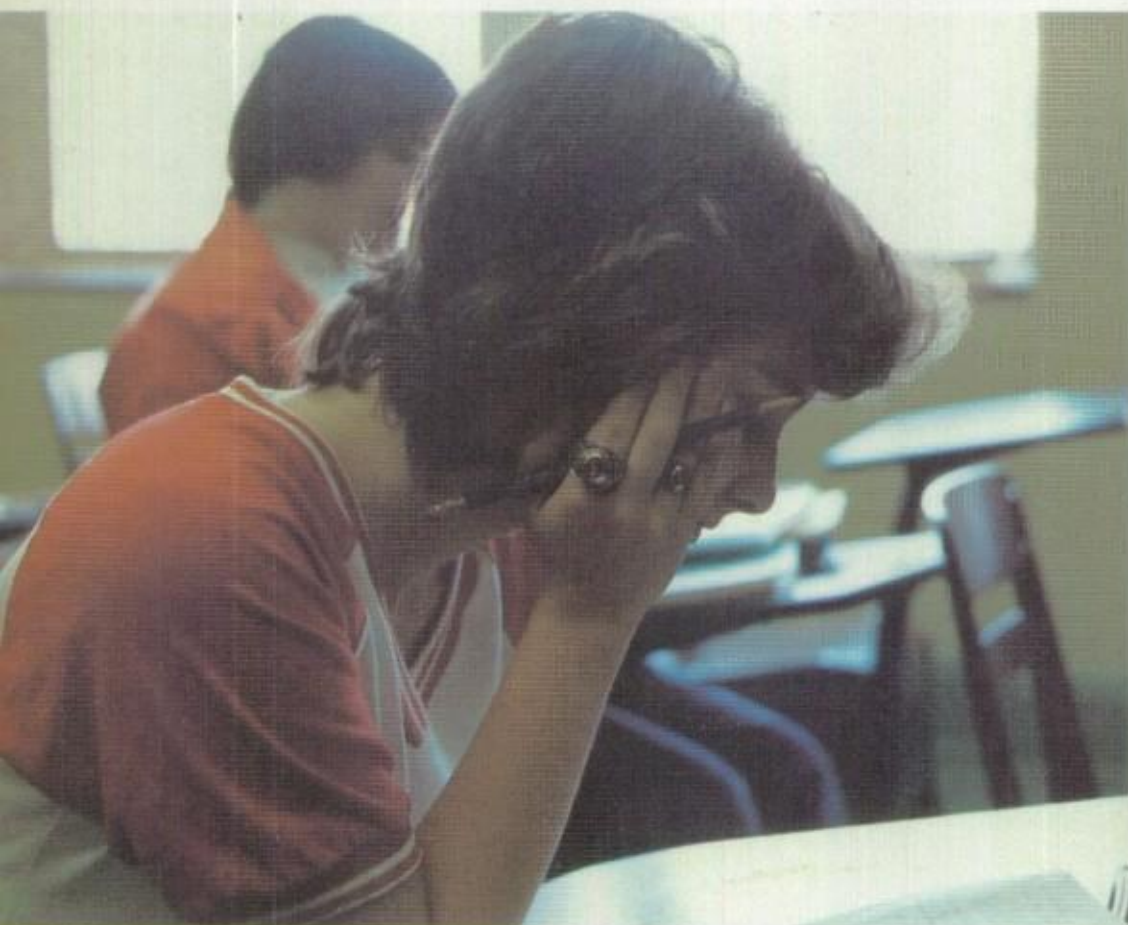

Continuously, reviving that traditional Tiger spirit, both students and teachers together brought about many new additions to Terrebonne which did much to boost the morale of our school. For the first time after many years, boy spirit leaders were added to the cheerleading squad, arousing much excitement. The Bookstore was renamed as the Spirit Shop, new spirit items were introduced — the greatest of which was the Tiger Rag. To make students more aware of activities and to encourage more participation, school calendars were sold throughout the year.

In 1983 we began taking senior pictures at school. We took exams before the Christmas holidays. This year was the first year that seniors were required to have a total of twenty-two units before graduation. New clubs, such as the Forensic League, the Computer Science Club, the Intramural Club, and the Spirit Lifters were instituted into student activities. Most of all, however, 1983 marked the beginning of a new leadership. After dedicating fourteen years of his life as principal of Terrebonne, Mr. Warren Sevin left our school, having accepted a promotion to the Central office. Taking over his position was former vice-principal, Mr. John W. Chaisson, who continued the tradition of academic excellence through his own qualities of leadership.

Middle: Renard Beo, John Packer, Vincent Jones relax during the lunch hour. Bottom: Ray Fonseca, a guitar student, practices on the guitar.

With the diamond anniversary at hand, a celebration was greatly deserved. For 75 years Terrebonne had grown and achieved its prominence as a unique and distinguished institution. As of 1983, however, there was more than just a desire to rejoice in this memorable past, for in 1983 new hopes and ideas were being molded into the future, making way toward even greater goals and accomplishments.

"This Is Your Life" Mr. Sevin

On October 15, the T.H.S. student body and faculty gathered to honor a very special man. After receiving a promotion to the Central office staff, Mr. Warren G. Sevin ended twenty-two years of service at Terrebonne. As principal for fourteen of these years, Mr. Sevin worked very hard to promote the quality of education for all students. Held in the school auditorium, the ceremony began with "This is your Life, Mr. Sevin." Those individuals

who had worked closely with him for many years were asked to attend this celebration. Ben Walther, Master Ceremonies, acknowledged each guest and told of each of their relations with Mr. Sevin as they were presented one by one. Susan Boudreaux was featured during the presentation, singing the song entitled "Memories." Additional entertainment was provided by both the band and the choir.

Parade Begins Homecoming Festivities

On October 28, 1982 Terrebonne High began its annual Homecoming festivities with the traditional parade from Legion Park Elementary School to the Tom B. Smith Memorial Stadium. Not only was the parade a success because of the dedication and hard work of many students, but it was truly an asset to Terrebonne High, for no other school in the parish participated in such a function. Immediately after the parade reached the stadium,

a pep rally followed. The court was presented, and the winners of the class and club float were announced. Seniors proudly took first in class competition. The juniors were second, and the sophomores were third. F.M.L. was the winner among the club floats. Second place went to F.C.A., and third was taken by the D.E.C.A. club. All decorations and costumes centered around the year's Homecoming theme.

school. Miss Leslie Kay Chauvin was then announced the 1983 Homecoming Queen and was presented crown by the 1973 Homecoming Queen, Miss P. Domangue. The football team added significantly to the excitement of the occasion by winning the game against Central Lafourche 26 to 18.

Students Reach for Future Horizons

On November 8th of this year the annual college and career day was held. Men and women of various professions in the surrounding community gave up their valuable time to inform students about their particular field of study. College representatives also participated in the activity by providing much information on the benefits of each of their universities. The purpose of this event was to make students aware of the opportunities

which are open for the future and to answer any questions which they may have had. Following three hours of sessions, the guest speakers were warmly welcomed with a reception in the school library.

Former Grad Speaks at Ceremony

In honor of the many courageous men who died fighting for America in past wars, Terrebonne High School held its annual Veterans Day Program in the Tom B. Smith Memorial Stadium November 11, 1982. City and parish officials were asked to attend, along with parents of students. Both were invited to Open House following the ceremony. Master of Ceremonies was Ben Walther, vice-

Within each of us is a rich heritage, born in dreams. Because whatever we can conceive, we can also accomplish.

Generations of Terrebonne's people have worked to realize their dreams, through booms and busts, national triumphs and profound economic change, helping our community grow

and prosper, lending a hand when a hand was needed.

As you look with confidence toward the future, we at TBT know that what you envision today, you will one day make happen. Your privilege is to dream and at TBT WE'RE READY to help make your dreams come true.

Dodd,

I'm glad I met you this year. You
so sweet. Remember all the wonderful
times we had together. Going to curlys,
foot ball games, & eating out, I had a lot
of fun with you. I'm really sorry things
didn't work out for us. You were just
too sweet to me & I was afraid that I
might do something to hurt you. Thank
you for all the beautiful Roses you
sent me & thanks for the Espre shirt &
earrings, I will always remember where
they came from. Well thanks for everything
You really mean a lot to me. Stay Sweet
& cute. Good luck with everything in
the future. Thanks for being a friend.
